

Carlos Driving School online policy

Hello, students. Welcome to Carlosdrivingschool.com. Please read the following to learn about our policy. First, we will go over the prices and fees for each service. For behind the wheel training, it's \$45 an hour. You can book up to 2 hours a day unless you are a JR operator. In that case you can only book 1 hour per day. Once you book a lesson with me, it is your responsibility to cancel the appointment. If you fail to do so within 24 hours before your appointment, you will be charged \$20, and it is not refundable. Road test policy is \$120 for local test in Brockton. If you need a test outside of Brockton, the price is \$150. On the day of your road test, if you need a lesson right before the test, the price is \$165 local and \$200 out of town. For the driver education section, it's 250 per student. You will receive the full 30-hour course minus the on-road training and observation hours. If you need all of these services in one package, we have an option for that. For drivers ed, 12 hours behind the wheel training, and 6 hours observation, the total is \$800. There's no fee for missing classes and you will be able to reschedule on a later date. If classes become available, you will be alerted via text. You must have your learner's permit with you for all these services, or you will be denied. If you forget and a cancellation must be made. You will be charged a \$20 fee. Please bring proper footwear when you are taking a lesson or a road test. Slippers and Crocs are not allowed.
